Midland Building Products Ltd offer a complete design service, from product design to scheduling and project management. Our factory is equipped with state-of-the-art machinery, enabling us to meet any requirement. If your project requires a door facing not shown in this guide, please contact our team. We are able to offer doors with a vast range of HGS / CPL laminates.

- The above images are photographs for illustration purposes only and are not a true representation of the actual product.
 - Wood veneer is a natural product and is subject to variations in raw timber.
 - We recommend a physical sample be sent to you before a final decision is made on the veneer and/or laminate facing.
- To request a physical sample, please contact our sales team.
